Helping Coimbatore Stand Tall

Alamo XS Real and Coimbatore share a partnership that has been built over time. With two successful projects, we've built more than homes. We've built trust. Our journey here has been shaped by strong relationships and happy communities.

Now, we return with our third project, continuing a legacy that Coimbatore already believes in.

Launching Turin

Community Living Where Functionality Meets Aesthetics

Architectural Inspiration

INSPIRATION

Inspired by the Italian Baroque Grandeur of Turin Alamo XS Real draws its architectural spirit from the timeless piazzas of Turin – where symmetry, scale and elegance define urban beauty.

Influenced by the historic charm of Piazza San Carlo and Piazza Castello, our design reinterprets Italian Baroque aesthetics into a contemporary residential landmark.

Distinctive sloped rooflines inspired by European heritage architecture crown the structure with grace, while thoughtfully designed dormer windows add character, depth and rhythm to the skyline – blending classical charm with modern functionality.
